Dear Brother Buenaventura,

Thank you for your request for the United Steelworkers endorsement for your candidacy for Quincy Ward Four City Councilor.

At this time, I am proud to inform you that because of your friendship to the Steelworkers and labor; you have received our endorsement. The Steelworkers believe you share our core values of family, jobs, and community and will support the issues of importance to labor and all working men and women.

Union workers and all workers in general, cannot afford to have individuals elected to office as their representative who are more concerned about the benefits to corporations than the preservation of family and community supportive middle-class jobs.

I wish you the best of luck in your campaign and look forward to working with you in the future. If you have any questions, please do not hesitate to contact me.

In solidarity,

Stephen J. Finnigan  
Sub-District Director

United Steelworkers, District 4
